To the Board of Directors of United Sikhs

We have reviewed the accompanying statements of financial position of United Sikhs (a non-profit organization) as of December 31, 2006, and the related statements of activities, functional expenses, and cash flows for the year then ended, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of United Sikhs

A review consists principally of inquiries of organization personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles.

Our review was made for the purpose of expressing limited assurance that there are no material modifications that should be made to the financial statements in order for them to be in conformity with generally accepted accounting principles.

## United Sikhs Notes to Financial Statements For the Year Ended December 31, 2006

### Note 1 - Organization

The United Sikhs was organized in 1999 as an international non-profit, non-governmental, humanitarian relief, human development and advocacy organization, aimed at empowering those in need, especially disadvantaged and minority communities across the world.

### **Basis of Presentation**

Financial Statement presentation follows the recommendations of the American Institute of Certified Public Accountants.

#### **Financial Statement Presentation**

Under Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-For-Profit Organizations, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

#### **Promises to Give**

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

The Organization uses the allowance method to determine uncollectible unconditional promises receivable. The allowance is based on prior years' experience and management's analysis of specific promises made.

Page 6

# United Sikhs Notes to Financial Statements For the Year Ended December 31, 2006

### **Contributed Services**

During the year ended December 31, 2006, the value of contributed services meeting the requirements for recognition in the financial statements was not material and has not been recorded. In addition, many individuals volunteer their time and perform a variety of tasks that assist the Organization.

#### **Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Income Tax Status

The Organization is a not-for-profit organization exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.

### Investments

Under SFAS No. 124, Accounting for Certain Investments Held by Not-For-Profit Organizations, investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets if the restriction are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

#### Contributions

Under SFAS No. 116, Accounting for Contributions Received and Contributions Made, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted net assets depending on the absence or existence and nature of any donor restrictions
