INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
United Sikhs

We have audited the accompanying financial statements of United Sikhs (a nonprofit organization), which comprise the Statement of Financial Position as of December 31, 2020, and the related Statements of Activities, Cash Flows, and Functional Expenses for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Sikhs as of December 31, 2020, and the changes in its net assets and its cash flows, for the year then ended, in accordance with accounting principles generally accepted in the United States.

UNITED SIKHS
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020

NOTE 1: Summary of Significant Accounting Policies

The Organization

United Sikhs (organization), a not-for-profit organization, was incorporated in the state of New York on February 16, 1999. The organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly no provision for federal, state or local income taxes has been recorded. The Organization does not believe its financial statements contain any uncertain tax positions. The Organization primarily receives its support from contributions and grants from foundations, corporations, individuals and governmental entities.

The Organization's mission is to transform underprivileged and minority communities and individuals into informed and vibrant members of society through civic, educational and personal development programs, by fostering active participation in social and economic activity. The Organization provides the following four programs: Civil & Human Rights Advocacy – advancing economic, social and spiritual empowerment of minorities and other marginalized groups and individuals in need, regardless of race, religion, gender, sexual orientation, social status, age or ability, by enforcing civil and human rights throughout the world; Community Service – providing communities with a number of projects involving, among other things, drug awareness and rehabilitation, and fitness and healthy living; Empowerment & Education – empowering individuals and groups to help them attain their full potential and become active participants in society through education, training and community development projects; and Sikh Aid – providing non-partisan global humanitarian disaster relief services, which not only provide immediate aid but also rehabilitation help to the needy.

Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Net Assets – Without Donor Restrictions

The classification of an organization's net assets and its support, revenue and expenses is based on the existence or absence of donor-imposed restrictions. It requires that the amounts for each of two classes of net assets, "Without Donor Restrictions" and "With Donor Restrictions" be displayed in a statement of financial position and that the amounts of change in each of those classes of net assets be displayed in a statement of activities. All contributions received by the organization are recorded as "Without Donor Restricted" support because they are received without donor stipulations that would limit the use of the donated assets.

Use of Estimates

Management uses estimates and assumptions in preparing the financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

NOTE 1: Summary of Significant Accounting Policies (Continued)

Cash and Cash Equivalents

For the purposes of the statement of financial position and the statement of cash flows, the Organization considers as cash equivalents money market funds and all highly liquid resources, such as investments in certificates of deposit, with an original maturity of three months or less. At December 31, 2020, the Organization did not have any resources that were considered cash equivalents.

Advertising Costs

The Organization uses advertising to promote its programs among the audience it serves. The production costs of advertising are expensed as incurred. During the year ended December 31, 2020, advertising costs totaled \$60,916.

Revenue Recognition

Contributions are considered available for the Organization's general programs unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor are reported as donor restricted support. Contributions received with temporary restrictions that are met in the same reporting period are reported as support without donor restrictions. Investment income and gains restricted by donors are reported as increases in net assets without donor restrictions if the restrictions are met (either a stipulated time period ends or a purpose restriction is accomplished) in the reporting period in which the income and gains are recognized. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

The Organization received several grants. In accordance with the grant provisions, the Organization either receives grant funds following the disbursement of approved expenses or is authorized to receive funds in advance of anticipated expenditures. All unreimbursed expenses as of period-end are recorded as grant receivables and all advanced funds not expended are recorded as refundable advances.

Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The Organization allocates outside contractor fees based on estimated time, and other expenses are allocated based on usage. The Organization classifies expenses, which are not directly related to a specific program, as Management and General expenses.

Property and Equipment

The Organization capitalizes certain property and equipment with estimated lives of three years or more. Property and equipment are stated at cost, less accumulated depreciation. Depreciation of equipment is computed by the straight-line method over estimated useful lives ranging from three to five years. Expenditures for repairs and maintenance are charged as an expense, and major renewals and betterments are capitalized.

NOTE 2: In-Kind Contributions

The Organization recognizes contributions for individuals who volunteered their time. The value of donated services that were recognized as contributions in the Financial Statements as of December 31, 2020 amounted to \$304,645.

The team also runs projects to help eradicate poverty and works towards creating a healthier and happier world. The Sikh Aid directorate has expanded to include blood and health drives. The food drives have taken place in Fremont, New York, New Jersey, and Dallas and other regions of the United States. The volunteers devote their time in collecting food and many a times even preparing them. For example, the soup kitchen that was recently setup served close to 3,000 people in the New York region of Richmond Hill, Queens.

Civil and Human Rights: International Civil Human Rights and Advocacy (ICHRA) helps advance the economic, social and spiritual empowerment of minorities and other marginalized groups and individuals in need, regardless of race, religion, gender, sexual orientation, social status, age or ability. This is achieved by protecting and enforcing the civil and human rights of minorities and marginalized groups in the Americas, Europe and Asia. A number of hours are spent by volunteer attorneys in preparing casework, creating press releases, communicating with the clients and then regular follow-ups until the case is resolved.
